Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on 10/08/03 is not fully responsive to the prior Office action because the correspondence was not signed. Applicant is also required to send in a marked up version of the substitute specification showing the changes made (see 37 CFR 1.121). Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
